

**COMMITTEE ON ACCOUNTS, ENROLLMENT
AND REVENUE ADMINISTRATION**

December 4, 2001

Upon Recess of BMA

Chairman Hirschmann called the meeting to order.

The Clerk called the roll.

Present: Aldermen Hirschmann, Levasseur, Pinard, Thibault, Lopez

Chairman Hirschmann advised that Ordinances are to be considered for consistency with the rules of the Board, and required laws, and requests the Clerk to make a presentation relative to the Ordinances:

“Amending the Zoning Ordinance of the City of Manchester by extending the B-2 (General Business) zoning district southerly to include the remaining portions of two lots on Loring Street and two lots on Faltin Drive, in an area currently zoned IND (General Industrial).”

“Amending Section 38.06 Citation Penalties of the Code of Ordinances of the City of Manchester by establishing and increasing citation penalties for certain offenses.”

Deputy Clerk Johnson advised that there are two ordinances being presented. The first is a zoning ordinance, which had its referral to the Committee on Bills on Second Reading and it was reported out that it ought to have a public hearing. The Board held the public hearing. It was referred back to Bills on Second Reading and they came out with an ought to pass this evening, which was accepted by the Board and it was then followed to be enrolled. The second ordinance was referred to the appropriate committee, was reported out as an ought to pass and was enrolled this evening after that report was accepted. In our opinion, they are properly enrolled.

Alderman Thibault moved that the Ordinances are properly enrolled. Alderman Pinard duly seconded the motion.

Chairman Hirschmann called for a vote. The motion carried with Alderman Levasseur abstaining from the first ordinance and being duly recorded in opposition to the second ordinance.

There being no further business, on motion of Alderman Lopez, duly seconded by Alderman Pinard, it was voted to adjourn.

A True Record. Attest.

Clerk of Committee
